Spooky Tea Selection

ENGLISH BREAKFAST

Dark, distinct, and strong enough to wake the dead.
Like a full vampire fry-up… brewed in a cauldron.

EARL GREY

Classic, traditional, with a ghostly hint of bergamot.
Like a top-hat wearing phantom haunting a jazz club.

LEMONGRASS & GINGER

A shock of spice cut with citrus zests. Like a sudden screeching wake-up call from a witch's gargoyle.

PEPPERMINT

Chillingly crisp and bone-refreshing. Like a surprise frostbite attack in the middle of a graveyard.

SPRING GREEN

Earthy and clean with an eerie, smooth finish.
Like a midnight ritual under a foggy full moon.

FRUITS OF EDEN

Sinfully sweet with a bite of blood-red tangy fruit. Like sipping a crimson potion atop a shadowy nightmare creature.

MALABAR CHAI

A dark, rich, and mysterious blend of ancient spices. Like a midnight ride through a haunted bazaar on a runaway ghost train.

OOLONG ROSE

Subtly floral with a dark, romantic undertone. Like receiving a cursed love letter sealed with blood-red wax.
