

ODDFELLOWS

BRIDGE STREET | CHESTER

A Little Tale About Afternoon Tea..

Sometime around 1840, Anna Russell, the 7th Duchess of Bedford, began to request a pot of tea, bread and cake in the afternoon to ward off her mid-afternoon hunger until it was time for supper.

This idea proved to be so popular that it soon became a habit of hers inviting friends to join her, and today, has become a much loved and quintessential British tradition.

ODDFELLOWS

BRIDGE STREET | CHESTER
