a unique venue set in the
heart of historic Chester

ODDFELLOWS
Chester

a truly unique venue

Idiosyncratic, whimsical and charming - our cheerful design-led boutique hotel inhabits a gorgeous Georgian townhouse right bang in the middle of beautiful Chester, on the loveliest street, only moments away from the river.

Putting on a bash is something we do extraordinarily well. Weddings with personality, stimulating meetings and a jolly good knees up are all on the agenda - with a highly efficient events team that make it run like clockwork.

the space to be

Our event spaces are charming; from the ground floor Tea Rooms where a tea party sits on the ceiling to the entirely private first floor Georgian expanse, The Grown Up and The Grown Up Bar by Taittinger, where a private roof garden looks over Chester's historic chimney tops.

where the ingredient is king!

Our inventive chefs create playful dishes with integrity. The ingredient is king here and it's as locally sourced and as seasonal as it can be.

If you have your mad hat on, our Mad Hatters Afternoon Tea is an exciting twist on tradition.

A selection of lite bites and buffets keep the party going all night.

comfy beds for weary heads

When the fun all becomes too much, retreat to our comfortable bedrooms. Beds you can sink into, deep rolltop baths and powerful showers fill the stunning mezzanine duplexes and characterful loft rooms. Roberts Radios and Nespressos make you feel right at home. This is style with substance and a promise of a good nights shuteye.

Our apartments have flair, panache and enough room to swing a cheetah. Just footsteps from Oddfellows central, right on the river bed and with parking on the doorstep, the three, two bedroomed, fully equipped apartments are ideal for family city breaks, getaways with friends or a home-from-home for those business trips.
